What is a 1st class relic and why is it important?

- A 1st class relic is part of the person's physical body
- Miracles of healing and conversion are often associated with veneration of a 1st class relic
- One of these miracles is chosen as proof that the person is in Heaven and used for their beatification and another one for their canonization
- Come with your most challenging prayer intentions – maybe that miracle will be the one used for Blessed Carlo's canonization!

Carlo Acutis did not strive to become famous but rather to cooperate with God's graces as generously as possible. That journey brought him many experiences that were all united by a burning desire to serve God and others.
