Talk on

Blessed Carlo Acutis
and veneration of his 1st Class Relic

March 12 after the 11:30 am Mass

With an extensive assortment of photographs and historical descriptions, the exhibition created by Blessed Carlo presents some of the principal Eucharistic miracles that took place throughout the ages in various countries of the world and which have been recognized by the Church. By means of 187 panels, one can virtually visit the places where the miracles took place.

What is a 1st class relic?

- A 1st class relic is part of the person's physical body
- Miracles of healing and conversion are often associated with veneration of relics

Blessed Carlo Acutis did not strive to become famous but rather to cooperate with God's graces as generously as possible. That journey brought him many experiences that were all united by a burning desire to serve God and others.
