At the age of 11, as part of his work as a catechist, he created a website which catalogued many of the principal Eucharistic Miracles which have taken place throughout the world and have been recognized by the Church.

Manuel González García was born in Seville, Spain in 1877 and ordained a priest in 1901. He was assigned his first parish mission in the little town of Palomares del Rio. It was there, where Our Lord spoke to him from an abandoned tabernacle, that was a defining moment in his life and clarified the direction for the rest of his priestly ministry.
