Concerts for Hope

The National Shrine of Mary Help of Christians is pleased to present the healing music of Eric Genuis. Eric is a classical composer and musician who travels the country ministering healing music to the lost and forgotten, primarily in prisons.

Concerts for Hope takes "Carnegie Hall" into prisons, VA hospitals, homeless shelters and inner-city schools, anywhere Eric's music can uplift the human spirit. The reaction to his music is most often spoken of as hope, especially by men and women who are in maximum-security prisons. Eric never says "no" when asked to perform in these venues. Often, at a loss.
