*We did not just hear beautiful music; we were graced with the language that transforms the soul. His stories uplift the human spirit and make his compositions that much more powerful.*

– Headmaster of private school in MN

*What a pleasure to listen to not only a world class pianist and composer, but an artist whose music translates beyond its genre to lift the audience to belief and hope in the power of the human spirit. I have been honored to be present at several of Eric's concerts.*

– Jim Caviezel (The Passion of the Christ)
